DANVILLE, VA., August 19.—The Colts lost the first of the series here today to the Tobaccos in a contest characterized by heavy hitting on both sides. The locals found Hobbs during the early stages of the game, and batted him freely all over the lot. Walker, who was pitching for Danville, was ineffective for the first five innings, but after this he weakened, and was batted almost as freely as the Tobaccos had batted Hobbs.

The rally of the visitors came too late, and after Danville had scored six runs. What Hobbs lacked in pitching he made up for in stick work. He was practically responsible for all four runs made by his team. In the sixth he doubled and scored on Reese's single. In the next inning, with two men out and two on bases, he "parked" the ball for a home run.

## MURRAY PITCHES BRILLIANT GAME

Lynchburg's Big Twirler Lets Norfolk Down With Lonely Single.

NORFOLK, VA., August 19.—Lynchburg hit Fox lively in the eighth inning this afternoon, and won the game from Norfolk 2 to 0. Up to that time neither team had come anywhere near scoring. Both runs were made after two men were out, Murray's single, McKenna's three-base hit and Bowen's single producing the two runs. Murray's pitching was an enigma for the locals. Only once was he found for a safe hit. The big boy was the star of the game. But eighteen men faced him in the first six innings. Not until the ninth inning was he found for a hit, and then it was after one man was out. The visitors also put up a remarkably strong fielding game. The score by innings:

## LEASED WIRE MEN ARE CALLED OUT

This and Issue of Conflicting Statements of Telegraph Strike.

## BOTH SIDES CLAIM VICTORY

Telegraph Companies Gradually Increasing Number of Men at Work in Cities.

## CHICAGO, ILL., August 19.—Development in the telegraphers' strike today comprised the calling out of leased wire operators in six Chicago brokerage houses, and the issuing of a number of conflicting statements regarding the progress of the strike by officers of the union and by those of the telegraph companies. Both sides claim victory. The telegraph companies are certainly increasing the number of men at work, and both to-day had on the Board of Trade a larger number of operators than at any time since the strike began.

Many messenger boys who struck on the day following the walk-out of the operators, returned to work to-day. (From Our Regular Correspondent.)

WASHINGTON, August 19.—It is believed that there is some prospect for arbitration of the telegraphers' strike so far as the Postal Telegraph Company and its operators are concerned. National Vice-President Beatty, who is in charge of the strike in this city, stated to-day that he believed arbitration was measurably near.

"I cannot state anything positive on the subject," he said, "but I believe it is not far off." Beatty also stated that the Postal Company had made a number of offers of arbitration, but that he had not accepted any of them.
